A special thank you to those who have made donations to the group in addition to their membership, these are greatly appreciated. Prompt renewal of of subscriptions is a big help as are donations no matter how modest. If you have friends you think would benefit from membership please let them know about us.

I am hopeful that we will meet again before the end of this year and we will let you know the date when it becomes possible and safe. In the meantime, keep safe, keep well and stay in touch.
